Communities. The purpose of those surveys was to validate whether the area was suitable for commercial forest practices based upon ecological, economic and social considerations. As part of those surveys, the affected communities were informed of the potential of a Forest Management Contract Area "A" in the vicinity and the requirements for a social agreement. As a result of this, the FDA secured a statement on behalf of the affected communities around the Forest Management Contract Area "A" that they intended to negotiate a social agreement in good faith with the winner of the competitive bid.

I. PURPOSE:

The Social Agreement is an agreement between the contract holder and the affected communities around a given logging contract area which establishes the relationship between community and company.

The Social Agreement is a requirement by FDA Regulation No. 105-07 between any company that plans to harvest timber and the affected communities that could be affected by that commercial activity.

Social Agreements shall:

- a) Only be established between companies that have been authorized by the FDA through the competitive bidding or Sole Source process and affected communities;
- b) Establish a code of conduct regarding rights and responsibilities of the company and affected communities.
- c) Establish the financial benefits for all affected communities with respect to section 34 of FDA Regulation No. 105-07 Regulation on Major Pre-felling Operations under Forest Resource Licenses.
- d) Be negotiated directly between companies and local communities;
- e) Be attested to and regulated by the FDA. However, the FDA does not play an active role in the negotiation process beyond serving as a facilitator or mediator if discussion breaks down.

II. STATEMENT OF MUTUAL BENEFIT AND INTEREST:

The Alpha Logging and Wood Processing Company and the Forest Management Contract "A" Community Forest Development Community of Lofa, strive to engage in a mutually beneficial relationship by agreeing to the terms of this Agreement. Working cooperatively in the on-going implementation of the Forest Management Contract Area "A" will allow the affected communities and Alpha Logging and Wood Processing Company to achieve their respective goals.

In consideration of the above premises, the parties hereto agree as follows:
